

Deforestation-free Supply Chain Global Policy

RECIPIENTS: All JBS S.A. personnel, controlled companies and its unlisted subsidiaries.

1. PURPOSE

To define the Company's commitments regarding its deforestation-free supply chain.

2. SCOPE

All areas involved in the process and mentioned herein are responsible for complying with this policy.

3. GENERAL PROVISIONS

- 3.1. JBS is committed to deforestation-free supply chains that protect high-value ecosystems, as well as fostering conservation and sustainable use of forests to improve the quality of life of people who live there;
- 3.2. We do not condone illegal deforestation and we are dedicated to advancing traceability across our businesses to assure our suppliers are meeting our policies;
- 3.3. We recognize that eliminating deforestation from our supply chains is central to reducing greenhouse gas emissions and tackling climate change.
